ALIGNMENT:

Left = align w/end of email address.

Top & bottom = align w/ header image.

Right = align w/edge of Search box.

We'll format the image to fit wherever we like it within that space, using an image of 180px high x px wide with transparent background. Here's one example:

Here's what it could look like with a different image...

Since this is in the header, it will appear on every page.
